### *Dave Johnson, Executive Director*

My high school graduating class will be celebrating our 50<sup>th</sup> class reunion this summer. Wow, how time passes by so swiftly, especially when having fun. The changes in athletics, world, media and life have been many. Being an optimist, as most coaches are, I embrace many of the changes but also attempt to work with those I do not like or understand. Many of us in the coaching world call it monitoring and adjusting; which means we do what we have to do to get the job done. I am proud of coaches who are professional, master teachers, role models, and builders of confidence in their athletes. Good coaches are team builders, attitude/life changers and attempt to teach athletes the aspects of good character, integrity and to love the great game or sport they all compete in. THESE TYPE OF COACHES ARE SPECIAL!

Thanks again to our OACA Executive Board, Sport Chairs, Rob and Suzette for all they do for Oregon coaches. Mark Henderson and Steve Thorpe tenure has expired on our board and we thank them for their service. Mark was an outstanding football player and team captain for me in his high school days at Lebanon HS and went on to an outstanding coaching career at Junction City HS. He is retiring this year and looking forward to more hunting, fishing and whatever adventures come next in his life. He is "one of the best of the best."

We will miss Suzette, our Administrative Assistant/Secretary/Office Manager or whatever is needed in our office. Suzette is moving back to California to begin some new adventures in her life. We will all miss her as she did an outstanding job in working with our many coaches, especially with membership and clinic attendees. She did a great job of keeping Rob and I organized in the office as a co-worker and friend. We wish her the best.

We welcome Melissa Chambers as our new Administrative Assistant. She was selected from a pool of applicants that Rob and I interviewed in April. She grew up in Albany and still lives there with her husband Craig and 2 children.

We are in the process of moving our office to Albany after spending 25 plus years in Salem. This move will help accommodate Rob's travel from Sweet Home. I continue to live in Salem and am happy to split the travel distance with Rob to our new office in the newly renovated historic Flinn Block Building in downtown Albany.

Thanks again to our over 3,000 active and retired coaches who are members of our OACA. We appreciate your support and what you do or have done for our Oregon high school student/athletes. Make sure and do something good for yourself and to take the time to stop and smell the roses along your journey!

## DIRECTOR'S CORNER

### Rob Younger, Associate Director

I umpire baseball in the spring and summer. I think that anyone who has coached, played or umpired baseball can attest to the fact that you cannot tell a baseball by its cover and it's what is inside that counts. Rather it be a cheap \$3 ball or a more expensive ball, both look very much alike. On the outside they look very much alike, but baseball coaches and players know they are very much different. The core of the baseball and the material used in winding the inside of baseballs differs greatly. You could not tell by looking on the outside or at the cover, but get inside and the truth will be made clear. What is true for a baseball is true for a coach. As coaches, we can make some differences on how we or our teams look. But over a season and particularly when we face adversity and difficult times, the truth of what we are and believe in comes out. We should be challenged to develop our players on the inside even more than we want to develop them on the outside.

At the beginning of each season, 8-10 teams in each classification possess the **tradition**, the **coaching**, and the **talent** to win a state championship. Differences among those 10 teams are very slight, often the factor that determines who finishes 1st, 4th, or 10th is a matter of character. Championship teams develop a unique chemistry based on: honesty, hard work, self-sacrifice, faith and loyalty. Good coaches understand the game. Great coaches understand the game and their athletes and how to teach both. Coaching High School Athletes gives you the opportunity to teach and learn:

- confidence
- courage
- poise
- discipline
- perseverance
- how to win and how to lose with dignity
- teamwork
- how to be great competitor
- sportsmanship
- integrity

A team's character and chemistry are the keys to being successful. Our short term success (season, league records) may differ from year to year, but the lasting life-long experiences that a player takes from our program should never be dependent on our record that year. Another trait we want to teach our players is; *"The way you do anything is the way you do everything!"* Most times when you have student/athletes successful off the playing field, they will also be successful on the field.

## MEMBERSHIP 2013-2014

We will begin accepting applications for 2013-14 Oregon Athletic Coaches Association Membership (OACA) on-line August 1<sup>st</sup>. You can go to our website of [www.oregoncoach.org](http://www.oregoncoach.org) to complete registration. All OACA current members and Athletic Directors will be emailed, (WE MUST HAVE YOUR CORRECT EMAIL), the membership application at the beginning of August.

As you know, there are many benefits of being an OACA member. Our great partnership with the OSAA Gold Card Program allows free admission to regular high school events (most schools allow but are not required) and all OSAA Championship events. Members also receive a School Directory, representation for all sports of all classifications, and OACA/State/National Awards. Our \$1,000,000 General Liability program has also added coverage to those active coaches that are teaching in the classroom.

**Just a reminder:** The Regular Membership gives you all the same benefits as the Gold Card Membership **except** admission into regular or Championship events.

## THANK YOU TO OUR SPONSORS

Sponsors are a very important part of our organization as they provide funds for our Oregon Athletic Coaches Association (OACA) that allow us to offer membership at a reduced rate and support our eight \$1,000 scholarships.

### GOLD SPONSOR

We are honored to announce that the **Oregon Army National Guard** has become a Gold Sponsor of the Oregon Athletic Coaches Association. The Oregon Army National Guard, much like the Oregon Athletic Coaches Association, takes great pride in molding young men and women into outstanding citizens. The ideals and lessons taught by coaches to their student athletes are in direct correlation with what the National Guard expects in their recruits. A goal of both groups is to mold the youth of our state into productive citizens. We are pleased that the Oregon Army National Guard has partnered with the OACA. Together we can build bright futures for Oregon's student athletes.

### SILVER SPONSOR (The Official Statistician for the OACA)

We would like to encourage your school's athletic programs to get involved with MaxPreps. It is a great FREE stat management provider, schedule, roster and overall tool for coaches. It provides maximum exposure for your teams and student/athletes. We have heard many positive reports from coaches in our state who have used their services. It is easy to set up and input data. Many coaches have student aides, stats keepers or even community members input the data for them. This fall, the OACA will continue the selection of a weekly Football "Player of the Week" using MaxPreps leader boards as one of the criteria and post the results on the OACA website. We appreciate MaxPreps as a Silver Sponsor of the OACA as they are helping support the many services we can provide for the coaches of our state.

We are please to announce that the OACA has partnered with **Sports Authority** as they will provide an annual \$1000 student scholarship to a graduating senior of one of our member's families. They will also provide numerous opportunities for our membership to receive discounts for coaches, players, schools and families.

## COACH OF THE YEAR BANQUET SPONSOR

**Neff Company** with **Steve Hunker** provides the plaques for our annual Coach of the Year Banquet. The plaques are outstanding and add to the class of our banquet. We appreciate Steve and Neff for stepping forward to help support our Oregon Athletic Coaches Association. Please consider Neff for your needs. [www.neffco.com](http://www.neffco.com) You can reach Steve at [shunker@neffco.com](mailto:shunker@neffco.com).

**PRIME TIME SPORTS** owned by **John McCallum** and **Gerrit Wood** also contribute funds to the OACA and do a great job in management of the Les Schwab Bowl. This game features 5A/6A football All-Stars from Oregon High Schools. The OACA is involved in the selection of the coaches who in turn select the players. Prime Time Sports manages the game/teams while the players/coaches stay in the Portland area.

**NIKE** and **Lids Team Sports** have partnered with the OACA to sponsor two \$1000 student scholarships in honor of **Bill Bowerman, co-founder of Nike and OACA President in 1938-39 & 1947-48**. We also appreciate their annual sponsorships of our NIKE/OACA Football & Basketball Clinics.

We also appreciate the support of **WILSON** ball products and the **OSAA** as they provide the many door prize gifts at our annual OACA Coach of The Year Banquet.

**Jostens** is the Official OACA Souvenir & Championship Rings Sponsors. We appreciate the Executive Board President's Rings they supply annually.

## NEWS FROM MAXPREPS

It seems on the surface that nothing big happens in high school sports during the summer. Coaches and MaxPreps obviously know that is not the truth.

Just as you are planning for your upcoming season, working hard to get better, we are too. And we have a big unveiling set to take place in July.

MaxPreps will be rolling out career pages for athletes, and this is a significant accomplishment as we have been working on this project for a very long time. Now student-athletes will have one page that chronicles all their high school athletic accomplishments instead of single pages for each sports season.

A student who does two sports a year each year of high school would have eight pages in the old format. No longer. Now, that student will have one spot with links to every season they are included on a roster. All photos, videos and stories will also be housed on the single career page.

We are extremely excited to roll this out as a simple way to chronicle an athlete's career accomplishments, and we are even more excited to share the spectacular page design that accompanies the idea. We hope you will feel the same when you see the career pages, which should be up and running before the fall season begins.

The great news for coaches is that you don't have to learn any new tricks in the admin to help these career pages. Simply by adding students' names to the rosters (and spelling them consistently), those athletes will automatically have their information move to the career page. No extra work for coaches and added benefit for the kids – sounds like a win-win.

MaxPreps is also proud to have been a partner with the OACA for the Coach of the Year Banquet, where we provided some of the funds to make up part of the eight \$1,000 scholarships given to Oregon student athletes. We're a Silver Sponsor and proud to have played a role.

Fall sports pages are live on our site as of now, so for you coaches who have your schedules (and maybe even rosters), feel free to hop on the site and get a head start on that by entering them.

Summer is here but we know that the duties of a coach go year-round. If you need any assistance or have any questions about our site, please do not hesitate to contact our coach support department or anybody else who might be able to help you.
