- Mike Krzyzewski

## DIRECTOR'S CORNER

*Rob Younger, OACA Executive Director*

This past school year, the OACA has been celebrating its 80<sup>th</sup> year of serving high school coaches in our state. It has been a busy and productive year. The OACA was founded during the 1935-36 school year. Gene Eberhardt was the first President of the organization. Bill Bowerman, co-founder of Nike and former track coach at the University of Oregon, was the OACA President in 1938-39 & 1947-48. The OACA was led by active coaches until the hiring of Marv Heater as Executive Director in 1987. Ron Phister, longtime Coach and Athletic Director in the Portland area, was a vital leader for many years prior to Coach Heater. The OACA office was in Marv's basement until we rented our first office space in Salem in 1989. In 1998, Dave Johnson joined the staff as Associate Director, then as Co-Executive Director with Marv in 2005. Upon Marv's retirement in 2010, I had the opportunity to join Dave as Associate Director. And with Dave's retirement this past summer, I became the present Executive Director.

This year we hosted three outstanding coaching clinics: a basketball clinic in October, a baseball clinic in February, and a football clinic in March. Over 1,500 coaches participated in these three clinics gaining not only valuable professional development, but also a day(s) of networking with their peers. We are always interested in expanding our clinic opportunities. If you have ideas for new clinics in other sports, please contact us.

Last month, we honored over 265 coaches and family members at our 30<sup>th</sup> Annual OACA Awards Banquet. In 1986 the first OACA "Coach of the Year" Banquet was held with 50-60 coaches in attendance. That year also marked when the OACA began recognizing and honoring graduating senior student/athletes of our association members. From 1986-1996 the Executive Board choose four \$1,000 scholarship award winners - two boys and two girls. Since 1997, eight \$1,000 scholarships are given annually to four boys and four girls. Next year we will have provided over \$200,000 in scholarship awards to our members' sons/daughters.

We are in the process of redesigning our website ([www.oregoncoach.org](http://www.oregoncoach.org)) to make it more user friendly and mobile accessible. Our goal is to have it completed this July so that it will be ready to go prior to 2015-2016 online membership registration beginning August 1st. Please watch for our new look and let us know what you think.

We are fortunate to have a dedicated Executive Board as they are committed to representing all sports and all classifications. Kyle Cowan of Portland Christian HS did an excellent job of leading this year's Board as President, and we look forward to Jeff Stolsig of Lebanon HS taking over as President for the 2015-16 School Year. Please refer to page 14 or our website for a complete list of Executive Board members and Sport Chairs.

As always, the OACA is here to help! We have a purpose to improve the professionalism of coaches. Over the years the OACA has worked hard to provide its members with up-to-date professional development offerings, a quality membership benefit package, a professional publication, a state and nation-wide awards program, and much more...

If we can ever be of assistance, please contact us.

Wishing you a GREAT SUMMER!

## 2015 OACA Awards Banquet

On May 23<sup>rd</sup> we held our 30<sup>th</sup> annual Oregon Athletic Coaches Association (OACA) Awards Banquet. We honored over 265 coaches and family members at the event that was held in the University of Oregon's beautiful Autzen Stadium Club Level facility. **Please see a complete list of award winners on the following four pages.**

In addition to coaching awards, we also presented plaques to our Years of Service (YOS) Honorees. YOS honorees are OACA members who have reached a milestone year in their coaching career. ## OACA MEMBERSHIP 2015-2016

We will begin accepting applications and renewals for 2015-16 OACA Memberships online August 1<sup>st</sup>. You can go to our website at [www.oregoncoach.org](http://www.oregoncoach.org) to complete registration. All current OACA members and high school Athletic Directors will be emailed the membership application at the beginning of August. **(NOTE: We must have your correct email address on file)**

There are many benefits to being an OACA member. Our great partnership with the OSAA Gold Card Program allows free admission to regular high school events (most schools allow but are not required to participate) and all OSAA Championship events. Members also receive a Coaches Directory, representation for all sports in all classifications, and OACA/State/National Awards. Our \$1,000,000 General Liability program includes coverage for active coaches who are teaching in the classroom.

**Just a reminder:** The Regular Membership gives you all the same benefits as the Gold Card Membership **except** admission into regular or Championship events.

## 3 DIMENSIONAL COACHING

### Capturing the Heart Behind the Jersey

“That statue still stands. But only because it was too heavy to move. Kilmer never coached again.” - *Jonathan Moxon, Varsity Blues*

If you haven't seen the movie, the statue he is referring to is the statue of disgraced head football coach Bud Kilmer. A coach who was great in what we would call the first dimension. In this dimension, Kilmer understood the nuances of the game, all the tactics, the strategies, the right plays to call and how to get his best players in position to make the best plays possible! With multiple district titles to his name, Coach Kilmer knew football. But as the movie came to a close it became clear that his legacy would have nothing to do with what he accomplished on the field, but the damage he caused his young athletes off the field. That leads me to this question coach...

What will your legacy be?

When all is said and done and you hang up your whistle, what will be the legacy you leave behind? This question typically plays a major role in why we started coaching in the first place. We wanted to make a difference. We wanted to pass on the lessons we've learned, especially the ones we learned the hard way. But the reality we face as seasons go on, as time is spent planning, as we follow-up with student-athletes for their eligibility requirements, and as we manage all the relationships with other coaches, athletic directors, parents and our athletes...maybe that question of legacy no longer plays a role in our coaching.

The 3D Institute exists to encourage, strengthen and give you the tools to leave a legacy of transformational coaching. Tools that can help you coach the head, and the heart of your athletes, as well as the physical aspects of the game. We believe there is no adult outside of the home who has more influence on the life of a student-athlete than you do as their coach. We at the 3D Institute want to help you as a coach discover and fulfill your transformational purpose.

They might just build a statue of you one day. But whether they do or not, know this: every coach leaves a legacy. We want to help you leave one that tells of lives transformed.

## THANK YOU TO OUR SPONSORS

**hudl**

**SPORTS  
AUTHORITY**

We are proud to have the **Oregon Army National Guard** as a Gold Sponsor of the Oregon Athletic Coaches Association. The ideals and lessons taught by coaches to their student athletes encompass the same ideals that the National Guard expects in their recruits. A goal of both groups is to mold the youth of our state into productive citizens. Together we can build bright futures for Oregon's student athletes.

**MaxPreps** is a valued Silver Sponsor and The Official Statistician for the OACA. They have worked hard to get schools involved in an outstanding athlete and team recognition program. We highly encourage school athletic programs to get involved with MaxPreps. We appreciate MaxPreps' sponsorship as they help support the many services we provide for the coaches in our state.

We are excited by our partnership with **Hudl**, our newest Silver Sponsor and the OACA's Official Video Software Company. Funds provided by Hudl help keep membership costs low as well as fund an annual \$1,000 scholarship. We urge teams to explore Hudl's innovative and unique video software technology.

We appreciate our continued partnership with **Sports Authority**. In addition to the annual \$1,000 scholarship, they also provide numerous opportunities for our membership to receive discounts for coaches, players, schools and families.

**Neff Company** with **Trent Ellis** provided all of our plaques for our 2014-15 annual Awards Banquet. The plaques are outstanding and add to the class of our banquet. We appreciate Trent and Neff for their continued support of the OACA. Please consider Neff for your needs.  
**www.neffco.com** You can reach Trent at [trent.ellis@neffco.com](mailto:trent.ellis@neffco.com).

**Prime Time Sports**, owned by **John McCallum**, also contributes funds to the OACA and does a great job in management of the Les Schwab Bowl. This game features 6A/5A football All-Stars from Oregon high schools. The OACA is involved in the selection of the coaches who in turn select the players. Prime Time Sports manages the game/teams while the players/coaches stay in the Portland area.

**Nike** and **Lids Team Sports** have partnered with the OACA to sponsor two \$1,000 student scholarships in honor of **Bill Bowerman**, co-founder of Nike and OACA President in 1938-39 and 1947-48. We also appreciate their annual sponsorships of our NIKE/OACA Football and Basketball Clinics.

**Jostens** is the Official OACA Souvenir & Championship Rings Sponsor. We appreciate the Executive Board President's Ring they supply annually.

## A MESSAGE FROM

MaxPreps prides itself on making high school sports coaches' lives easier, and also for providing info for fans and media that can't be found anywhere else. We can't take 100 percent of the credit, because we have surrounded ourselves with some amazing stat partners and continue to find new ones to integrate.

Coaches who currently use a stat program or are considering one can look at [http://www.maxpreps.com/utility/stat\\_import/partners.aspx](http://www.maxpreps.com/utility/stat_import/partners.aspx) and find a plethora of partners that we have for eight sports. The idea behind having stat partners is simple: We understand that coaches are comfortable with certain programs and we want to make it as easy as possible for your statistics to be put onto MaxPreps. You don't have to enter your stats in two different places – which saves tons of time!

We're continually looking for new partners, so if you are prepping for the fall season, take a look at the link above to see if we have developed a partnership with a program that you have used in the past, or are considering starting with.

Speaking of the stats that get entered on MaxPreps, we have yet another reason why we want to encourage you to upload your stats into MaxPreps. You have heard in the past that only kids with stats on MaxPreps are eligible for the OACA Player of the Week honors in football and basketball – well now we have enacted many more programs with the same criteria, but on a much bigger scale.

Coaches who enter their athletes' stats now make their kids eligible to earn weekly recognition as regional and national players of the week. We have programs with the American Volleyball Coaches Association, National Fastpitch Coaches Association, National Soccer Coaches Association of America and USA Baseball, and we are always looking to add more.

The goal is to make it easier for coaches to enter their stats, and to offer incentives to keep it up throughout the season. And most of all we want to honor the best prep athletes around the country.

You can always reach out to me with any questions you might have, [lgordon@maxpreps.com](mailto:lgordon@maxpreps.com). We wish you a safe and successful summer – and can't wait for fall sports to start!
