CAMP & CLINIC COVERAGE

Today, most coaches are involved in some type of sports camp. Please note that our General Liability Program follows insured members while working at camps and/or conducting their own personal camp.

In addition, Participant/Accident (Medical) coverage is available for coaches and/or participants. Should an accident occur during a camp, clinic or event, this secondary coverage helps offset the loss suffered by families affected by such accidents.

PROCEDURE FOR CAMP INSURANCE

- Signed waivers (registration form) must be in place for all participants attending camps. The waiver must have indemnification language and acknowledgement that primary medical insurance is in place for the participant.
- If you cannot secure such a waiver, you must purchase Participant/Accident (Medical) coverage for all attendees.
- If you require a certificate of insurance naming an additional insured, you must purchase the Participant/Accident (Medical) coverage for all participants attending your camp.
- If you require a certificate of insurance showing proof of insurance and have the required waiver in place, you do not have to purchase the Participant/Accident (Medical) coverage.
